Summary

Middle front-end developer experienced with all stages of the development cycle for dynamic web projects. I was a freelance web developer for some time, made turn-key websites using WooComerce plugin of Wordpress CMS. I also worked for an international IT company for 4+ years. I am an easy-going person striving to attach all my efforts to help my team.

Skill Highlights

- Deep knowledge of current technologies (HTML5, CSS3, JavaScript);
- Good knowledge of Bootstrap/Foundation;
- Proper knowledge of Vue.js and grasping React basics;
- Very good understanding of WordPress.
